The rules of life at the chalet

For the smooth running of your stay and that of those who will succeed you, we thank you in advance for respecting the few points below.

- Please keep the premises clean and in good condition, as when you arrived.
- For their safety, never let your young children wander around unsupervised.
- Smoking is strictly prohibited inside the accommodation, including at the windows. Tenants may smoke outside, provided they do not throw cigarette butts on the public highway.
- Please close the chalet and windows using your access code when you are going away and make sure to turn off the lights or any other electrical devices
- It is strictly forbidden to disturb the peace of the neighborhood by behavior inappropriate, causing noise, more specifically unwanted between 11 p.m. and 8 a.m.
- If you misplace or forget an item in the accommodation, please let us know so that we can possibly look for it when changing tenants and cleaning.
- It is strictly forbidden to walk in the chalet with shoes. Storage are available to you in the entrance.
- Although we know that our tenants will not intentionally break anything, we understand that accidents can sometimes happen. Please report any accidental damage or breakage in good time, and always before your departure.

WASTE TREATMENT AND RECYCLING

We attach great importance to the preservation of the environment. Waste must be sorted and thrown into the containers located at the foot of the chalet. We thank you for complying with the rules relating to the treatment of waste and glass.
